- Smart Mobile Devices
- Communications Infrastructure and Data Center
- Home and Industrial IoT
- Automotive
- Personal Computing
- Non-Wafer and Corporate

“In the third quarter, GF’s dedicated teams across the world delivered financial results at the upper end of the guidance ranges we provided in our August earnings release. Although the global economic and geopolitical landscape remains uncertain, we are collaborating closely with our customers to support their efforts to reduce inventory levels, while growing long-term partnerships to drive foundry innovation and differentiation across essential end-markets.”

Dr. Thomas Caulfield, President & CEO
